

# Hammerhead

## The Offspring

I am the one,  
Camouflage and guns,  
Risk my life  
To keep my people from harm

Authority,  
Vested in me  
I sacrifice  
With my brothers in arms

Through this doorway,  
What's on the other side?  
Never knowing  
Exactly what I'll find  
Locked and loaded  
Voices screaming  
Let's go!  
Come on do it!  
Here we go

I'll take a life  
That others may live  
Oh it's just the way it goes  
I'll shut my eyes  
It hammers in my head  
Where it'll end  
Nobody knows

I'll take a life  
Ten others may live  
Oh it's just the way it goes  
It's playing over and over, over in my head  
Where it'll end  
Nobody knows

Stay the course  
Reasonable force  
I believe I serve a greater good

Smoke and dust

Enemies are crushed  
Nothing left  
Where a man once stood

Through this doorway,  
What's on the other side?  
Never knowing  
Exactly what I'll find  
Locked and loaded,  
Voices screaming  
Let's go  
I'm just doing what I'm told

I'll take a life  
That others may live  
Oh it's just the way it goes  
Shut my eyes  
It hammers in my head  
Where it'll end  
Nobody knows

I'll take this life  
Ten others may live  
Oh it's just the way it goes  
It's playing over and over, over in my head  
Where it begins  
And where it'll end  
Nobody knows

Hey, go!

Oh, oh, oh, oh

Bang, bang, It hammers in my head!  
Bang, bang, It hammers in my head!  
Bang, bang, It hammers in my head!  
In my head  
In my head

Ya know I walk through the valley of the  
shadow of death, I fear no evil:  
for Thou art with me

Locked and loaded  
Gonna find my truth now  
I'm busting through

All hell breaks loose

And you can all hide behind your desks now  
And you can cry 'teacher come help me! '

Through you all  
My aim is true!

My aim is true!  
My aim is true!
