Born To Lead (Radio Edith)

Hoobastank

With eyes closed tightly
I march so blindly
Pretending every thing's fine
'Cause you're there to keep me in line
I don't want your guidance
I'll break my silence
So sick of asking and being denied, and now I realize[Chorus:]
We're holding the key to unlock our destiny
We were born to lead
We're finally free, no longer following
We were born to lead
We were born to leadYou can't ignore me
You can't think for me
Your world will come crashing down to the ground
'Cause I figured you out[Chorus]I use to think I'm all alone
But now I see our numbers grow
I'm not afraid to break away
Think on my ownWith eyes wide open
My new life begins
Without you there to tell me when, where, and how
And you can't stop me now![Chorus]
