

Katy On A Mission

Dubstep

In this room of darkness I ain't undercover
That won't stop my prowess rubbing off on to another
Elevating higher as my body's moving lower
Now I've reached my element you better move over oh
 But he doesn't he blocks my way
 I try to push past but he wants to play
 So I sip his drink as I hold his gaze
 Ooh
 When we erupt in to the room
 And hear the sub go boom
 A feeling easy to resume
 This right here I swear will end too soon
 So I sink in to the tune
 As I inhale the fume
 A feeling easy to resume
 This right here I swear will end to soon
 (This right here I swear will end to soon)
My limbs seem to move what the beat dictates to me

I push in to the middle the sound becomes a part of me
 Taking me back to that sweet familiarity
 Making my adrenalin rise I feel the eyes on me
 Sip the bottle now don't be slow
 Keep up with me as we lose control
 Keep up with me as we lose control
 When we erupt in to the room
 And hear the sub go boom
 A feeling easy to resume
 This right here I swear will end too soon
 So I sink in to the tune
 As I inhale the fume
 A feeling easy to resume
 This right here I swear will end to soon
 (This right here I swear will end to soon)
 When we erupt in to the room
 And hear the sub go boom
 A feeling easy to resume
 This right here I swear will end too soon
