

Money to Burn

MGMT

Changing lanes on a Saturday
breaker a record did you hear about the fire
It's such a tragedy lives lost mothers crying
no time to react its getting down to the wire
but when the wheels stop turning your in trouble
head for the rubble and close your eyesstanding on the interstate
I can see you coming from a mile away
but if you've got some money to burn
you can do the talking and I'll wait my turn
people say it's suicide
but nothing from nothing is a way of life, yeah
people say it's suicidewatching it rain on a Saturday, Saturday
breaker breaker did you hear about the ship
it's a tragedy lives lost falling hero
so close to the end of a successful trip
but when the world stops turning you're in trouble
head for the rubble and close your eyesstanding on the interstate
I can see you coming from a mile away
but if you've got some money to burn
you can do talking and I'll wait my turn
people say its suicide
but nothing from nothing is a way of life, yeah
people say its suicide
