

# Lonesome Blues

## Johnny Dodds

I had a woman  
Livin' way back o' town  
Yeah she treated me right  
    Never let me down  
    But I wasn't satisfied  
I had to run aroundNow she's gone and left me  
    I'm worried as can be  
    Oh I've searched this world all over  
        Wonderin' where she could be  
        I would ask that she forgive me  
And maybe she'll come back to meBut I doubt itI'm lonesome an blue  
    And I've learned a thing or two  
        Oh fellas here's a tip  
        I'm gonna pass on down to you  
        Never mistreat your woman  
        Cause it's gonna bounce right back on you
