## Iamthemorning

How long  
will it take  
to get rid of this eternal ache?

All the times  
thought you've won  
it just got worse and you kept carrying on  
forever you dreamed it would be gone,  
just don't dream and just  
be strong

Be strong,  
you are indigo  
just be strong  
and it won't take long.

Complete, complying,  
defeated, dying.
