

# Haunted

Beyoncé<sup>1</sup>

It's what you do  
It's what you see  
I know if I'm haunting you  
You must be haunting me

It's where we go  
It's where we'll be  
I know if I'm on to you, I'm on to you  
On to you, you must be on to me

My haunted lungs  
Ghost in the sheets  
I know if I'm haunting you  
You must be haunting me

My wicked tongue  
Where will it be?  
I know if I'm onto you  
I'm on to you  
On to you, I'm on to you  
On to you, you must be on to me

You want me?  
I walk down the hallway  
You're lucky  
The bedroom's my runway  
Slap me!  
I'm pinned to the doorway  
Kiss, bite, fuck me

My haunted lungs  
Ghost in the sheets  
I know if I'm haunting you  
You must be haunting me

My wicked tongue  
Where will it be  
I know if I'm onto you  
You must be onto me

It's what we see  
I know if I'm haunting you  
You must be haunting me  
It's where we go  
It's where we'll be  
I know if I'm onto you, I'm onto you  
Onto you, I'm onto you  
Onto you, you must be onto me  
You must be onto me (on to you, I'm on to you)  
You must be onto me (on to you, I'm on to you)  
You must be onto me (on to you, I'm on to you)

Me (on to you, I'm on to you)  
Me (on to you, I'm on to you)  
Me (on to you, I'm on to you)  
Me (on to you, I'm on to you)  
Me (on to you, I'm on to you)

What goes up, ghost around  
Goes around around around around  
What goes up, ghost around  
Ghost around around around around
