Alien Ant Farm

We should have waited
We should have waited
It's all around
We should haveWe love to break the season
We use to shake the beehive
To relax and rewindWe should have waited
It's all around and nowSee why you cry, see why you save
Your regimen is gonna die
See what you know
Let's see what you throw?
Your regimenWaiting so
Waiting I knowWe love to break the season
We use to shake the beehive
To rewind
We should have waited
It's all rightSee why you came, let's see why you go inside
Your regimen is oh too slow
See why you cry, get sting from the hive
See your regimenWaiting, so
I'm waiting, I know
Ya duct o' nineWe love to break the season
And you're the reason
We use to shake the beehive
To relaxWe love to break the season
And you're the reason
We use to shake the beehive
And rewindSee! And we don't mind
Are you sane? Are you ashamed?
See! And we don't mind
Are you sane? Are you ashamed?
See! And we don't mind
And we don't mind
And we don't mindAnd we don't mind
We love to break the season
And you are the reason
We use to shake the beehive
To relax and rewind
