

# Jars

## Chevelle

Hold onto chance  
Lest we bleed ourselves  
Save for the pets  
They're the loneliest  
Put into jars  
We'll save this earth  
Put into jars  
We'll save this earth  
We can't both become the same pawn that's made to fall  
Oil that tastes like blood stole the summer scent  
From me to you you're stabbing me through you  
You're stabbing you through him and betting most of this world  
We'll add enough of the world  
Steal from yourselves  
It never felt so good  
And feed from their hand's  
Confuse by opposites  
Put into jars  
We'll save this earth  
Put into jars  
Keep safe this earth  
We can't both become the same pawn that's made to fall  
Oil that tastes like blood stole the summer scent  
From me to you you're stabbing me through you  
You're stabbing you through him and betting most of this world  
We'll add enough of the world  
This world, we'll add enough of the world  
Feeling manic for a day  
Depends on the trends  
Depends on the surface  
If the sun never sets  
We can't both become the same pawn that's made to fall  
Oil that tastes like blood stole the summer scent  
From me to you you're stabbing me through you  
You're stabbing you through him and betting most of this world  
We'll add enough of the world  
Is the main thing you'll shout  
Till the bitter end into jars
