

# Ask Me

## Elvis Presley & The Jordanaires

Ask me if I wanted to caress you  
And I'd confess  
Ask me if I'm longing to possess you  
I'll answer yes Now that we're together  
I could hold you close forever  
And I swear that I would never let you go There's no question that I care more than you  
Love me darling, just be mine completely  
And there's nothing I won't do if you  
Just ask me
