Almost Saturday Night

Dave Edmunds

Outside my window
I can hear the radio
And you know that
Motor wagon is ready to fly
'Cause it's almost Saturday night
Bye bye, tomorrow
Jody's gone to the rodeo
And you know some
Good old boys are ready to ride
'Cause it's almost Saturday night
Gonna push the clouds away
Let the music have its way
Let it steal my heart away
And you know I'm goin'

Outside the ringin'
The night train is bringin' me home
When you hear that
Locomotion get ready to fly
'Cause it's almost Saturday night
Gonna push the clouds away
Let the music have its way
Let it steal my heart away
And you know I'm goin'
Outside the ringin'
The night train is bringin' me home
When you hear that
Locomotion get ready to fly
'Cause it's almost Saturday night
