All I Wanna Do

The School

I don't wanna have to hang around this crowd no more in this place again
Everybody thinks they're having fun getting wrecked up and making wrecked up friendsAll I wanna do is hang around with you, if you want me to
All I wanna do is hang around with you, let's go homeI don't wanna have to work the week in boredom we can just carry on
watching people we know falling down, like drunken clowns
and come unstuck, undoneAll I wanna do is hang around with you, if you want me to
All I wanna do is hang around with you, let's go home
