Far Behind

The Hippos

All I need is a walking cane
To guide me on my way
A hat to push away the rain
That would be okay
Starting over to begin
I'm standing here too strong
I never thought I'd ever see at all

I stand too tall,
But I shrink away.
I never thought I could feel as good as the way I feel today
So I run away
Cause things aren't quite going my way

Run away from yesterday
Tomorrow will be free
I slipped today, but that's okay
I need a new routine
Those who live and those who die
Shining like the sun
All trying to peak over the wall

I stand too tall,
But I shrink away.
I never thought I could feel as good as the way I feel today
So I run away
Cause things aren't quite going my way

And when I turned on MTV
I saw just what I wanted to be
But that was yesterday
And things aren't quite going my way
