

# I Paid My Money

## Fear of Pop (Ben Folds)

Turn up the music  
Thanks  
I paid my money  
And I'm gonna see all the movie

I paid my money  
And I'm gonna see all the movie  
And it's gonna be good  
I'm telling you people it's gonna be real good

'Cause I paid my money  
I paid my money  
Bring it on  
Yeah

I see people leaving early  
They don't know what they're missing  
They don't know what they're missing  
They're missing half the movie

And I'll not be screwed  
I'll not be screwed like the people leaving early  
'Cause I paid my money  
I paid my money

I paid  
I paid  
I paid

Rama-lama-ding-dong-she-bop-she-bop-she-bop  
Ho!  
Roll up the windows  
I hear a tale about a store

Where pain's for free  
And if I ask for more  
I don't pay my money  
And it's terrible pain

And it's all for free

And if I ask for more  
They're gonna give it to me  
I'll not be screwed

(I'll not be screwed like the people leaving early)  
(I'll not be screwed)  
Rama-lama-ding-dong-she-bop-she-bop-she-bop  
Funky bass

Yeah  
Ho!  
I paid my money (I paid my money)  
And I'm gonna see all the movie

I paid my money (I paid my money)  
And I'm gonna see all the movie  
And it's gonna be good (it's gonna be good)  
And I'm telling you people it's gonna be real good

'Cause I paid my money (I paid my money)  
I paid my money (I paid)  
I paid (I paid)  
I paid (I paid)  
I paid (I paid)

Rama-lama-ding-dong-she-bop-she-bop-she-bop  
I paid my money  
I paid my money  
I paid my money  
And I saw it all
