All for You

The Gift

There's been times, I'm so confused
And all my road, they lead to you
Just can't turn and walk away
It's hard to say what it is I see in you
If I'll always be with you
Words can't say it, I can't do
Enough to prove, it's all for you
Finally I figured out
But it took a long, long time
Now there's a turnabout
Maybe 'cause I'm tryin', yeah
There's been times, I'm so confused
All my road, they lead to you
Just can't turn and walk away
Well, it's hard to say what it is I see in you
If I'll always be with you
Words can't say it, I can't do
Enough to prove, it's all for you
I'd thought I seen it all
'Cause it's been a long, long time
Oh but then we'll trip and fall
Wonderin' if I'm blind, yeah
There's been times, I'm so confused
All my roads, they lead to you
I just can't turn, you walk away
It's hard to say what it is I see in you
Wonder if I'll always be with you
Words can't say and I can't do
Enough to prove it's all for you
Rain comes pourin' down
Fallin' from blue skies
Words give out a sound
Comin' from your eyes
Finally I figured out
But it took a long, long time
Oh now there's a turnabout
Maybe 'cause I'm tryin'
There's been times, I'm so confused
All my roads, they lead to you

Just can't turn and you walk away
It's hard to say what it is I see in you
Wonder if I'll always be with you
Words can't say, I can't do
Enough to prove it's all for you
It's hard to say what it is I see in you
Wonder if I'll always be with you
Words can't say, I can't do
Enough to prove, it's all for you
Well it's hard to say what it is I see in you
Wonder if I'll always be with you
Words can't say, I can't do
Enough to prove, it's all for you
Hard to say, yeah, yeah
Hard to say, it's all for you
