# Reckless Life

## Mr. Trippalot

I'm reckless and feelin' no pain
You know I've got no need to control
Livin' with the danger I'm always on the edge now
With million dollars visions that I hold
Livin' like this never ever tore my life apart
I know how to maintain and you know I know my partOn a holiday, a permanent vacation
I'm livin' on a cigarette with wine
I'm never alone 'cause I got myself
Yes, I imitate myself all of the time
Livin' like this never ever tore my life apart
I know how to maintain 'cause it's comin' from my heartI lead a reckless life
And I don't need your advice
I lead a reckless life
And you know it's my only viceReckless life
I lead a reckless life
I lead a reckless life
And you know it's my onlyReckless life
I lead a reckless life
I lead a reckless life
And you know it's my only vice
