

Beauty and the Beast

David Bowie

Ooo-ooH Weaving down a byroad, singing a song
That's my kind of highroad gone wrong
(My, my smile at least)
You can't say no to the beauty and the beast Something in the night
Something in the day
Nothing is wrong but darling, something's in the way
There's slaughter in the air
Protest on the wind
Someone else inside me
Someone could get skinned, how?
(My, my) someone fetch a priest
You can't say no to the beauty and the beast
Darling(My, my)
You can't say no to the beauty and the beast
(Liebling)
(My, my)
You can't say no to the beauty and the beast I wanted to believe me
I wanted to be good
I wanted no distractions
Like every good boy should(My, my) Nothing will corrupt us
Nothing will compete
Thank god heaven left us
Standing on our feet
(My, my)
Beauty and the beast (my, my)
Just beauty and the beast (you can't say no to the beauty and the beast)
Darling My, my
My
My, my
My
