

Hate Me

Blue October

I have to block out thoughts of you so I don't lose my head
They're crawling like a cockroach leaving babies in my bed
Dropping little reels of tape to remind me that I'm alone
Playing movies in my head that make a porno feel like home
There's a burning in my pride,
A nervous bleeding in my brain
An ounce of peace is all I want for you
Will you never call again?
And will you never say that you love me
Just to put it in my face?
And will you never try to reach me?
It is I that wanted spaceHate me today
Hate me tomorrow
Hate me for all the things I didn't do for youHate me in ways
Yeah, ways hard to swallow
Hate me so you can finally see what's good for youI'm sober now for three whole months,
It's one accomplishment that you helped me with
The one thing that always tore us apart
Is the one thing I won't touch again
In a sick way I want to thank you
For holding my head up late at night
While I was busy waging wars on myself,
You were trying to stop the fight
You never doubted my warped opinions
On things like suicidal hate
You made me compliment myself
When it was way too hard to take
So I'll drive so fucking far away
That I never cross your mind
And do whatever it takes in your heart
To leave me behindHate me today
Hate me tomorrow
Hate me for all the things I didn't do for youHate me in ways
Yeah, ways hard to swallow
Hate me so you can finally see what's good for youAnd with a sad heart, I say bye to you and wave
Kicking shadows on the street
For every mistake that I had made
And like a baby boy,
I never was a man

Until I saw your blue eyes crying,
And I held your face in my hand
And then I fell down yelling,
"make it go away!"
Just make a smile come back
And shine just like it used to be
And then she whispered,
"How can you do this to me?"Hate me today
Hate me tomorrow
Hate me for all the things I didn't do for youHate me in ways
Yeah, ways hard to swallow
Hate me so you can finally see what's good for you
For you
For you
For you
