Return Of The Phantom Stranger

Rob Zombie

Ah, shape shifting high
And a haunted eye
Falling plastic and paper demons
No trace of time
I'm branded sly
I am your ghostmaster baby, free me
All you know is alone
You see a Phantom Stranger
Down you go all alone
You love my Phantom Stranger
My sinister sounds
Sweep the grounds
Still born I lie beneath it
I throw it away
The freaks all stay
Deformed and laughing screaming
All you know is alone
You see a Phantom Stranger
Down you go all alone
You love my Phantom Stranger
A wretched heart
In the dark decay
Dominate forever
Destroy the things you love
And see if I remember
All you know is alone
You see a Phantom Stranger
Down you go all alone
You love my Phantom Stranger
