

# 4 AM (Adam K & Soha Mix)

## Kaskade

Sleepless gliding  
Over the city lights  
Watch us flying  
Over the streets tonight

And I say  
There's a way, there's a way I know  
There's a way, there's a way I know  
There's a way, there's a way

I know that someday we will surely find it  
There's a way, there's a way I know  
There's a way, there's a way I know  
Someday, there's a way  
Someday, there's a way, I know it

Sunday morning  
Watching the city sleep  
Dreams are shining  
Finally they're within reach

And I say  
There's a way, there's a way I know  
There's a way, there's a way I know  
There's a way, there's a way

I know that someday we will surely find it  
There's a way, there's a way I know  
There's a way, there's a way I know  
Someday, there's a way  
Someday, there's a way, I know it

There's a way, there's a way I know  
There's a way, there's a way I know  
There's a way, there's a way

I know that someday we will surely find it  
There's a way, there's a way I know  
There's a way, there's a way I know  
Someday, there's a way

Someday, there's a way, I know it
