

# I'm A Stunna

## Birdman

[Chorus: x2]

Bitch I'ma stunner, a rap hunter

I'm just a nigga with a whole lot of money

Bitch I'ma stunner, a rap hunter

Its M.O.B. with this money and the power We don't move them O's nigga we move 'em whole

Gotta the game from G's nigga straight off the floor

Uptown nigga with this uptown soul

Flip a ice mink, drive a red Rov

Hung up in the kitchen got it heavy on the low

Hustle from the front straight to the back door

Moeny like trees flippin' these tree's

Bitches all over cause they know we got cheese

Ride for M.O.B thats how it be

Cook a whole key let it fly in the streets

Ball like a motherfucker condo on the beach

Thats how we livin' with the gators on the seats [Chorus: x2] We put that marble on the floor cause we shine  
countin' dough

Them niggas act like hoes we let 'em all go

Comin' out the ceilin' with this chopper and the dope

Stuntin' on these bitches in the Bentley for door

Half a bird nigga with this ounce ass hoe

Poppin' at the mouth like his head cant blow

Baby momma drama she was born in the you

I was born in the milf, got the game out to Nolia

13 best and I come up out of Ness

Coochie Marley hold me down I love my set

KC put me on to my first dollar

I was 16 years old with a mill and a chopper [Chorus: x2] City full of murder nigga thats what we know

Fuck 'em if we gotta go then we gotta go

Cash in quick nigga, hustle for the licks

At the same time nigga flip a whole brick

Same nigga poppin', same nigga same shit

Money ain't long nigga bitches ain't shit

G4, Lamb, Maserati is the shit

From the bottom to the top with a bad bitch

Its my round now, wont them nigga come 'round

Tommy gun banana clips make a loud sound

Brand new crib and we built it from the ground

75 carrots and we blowin out the pound[Chorus: x2]
