

Party At The End Of The World

Jimmy Buffett

When you feel like a written off actor on Deadwood
About to get fed to the pigs
When that preacher's bustin' hell, plastin' just cowbells
Marks itself in front of your digs
There's this place you can go called Tierra Del Feugo
Down in the Southern Hemisphere
It's kinda Troy without Helen, past the Straits of Magellan
And things are always looking up down here
'Cause there's a party at the end of the world
Where the locals do the tango twirl
Forget the temples and the golf pants over there in Montreal
There's a party at the end of the world
Well, it seems like I've run out of reasons to be here
So I'm just gonna steal from myself
If your attitude's fallin', there's a latitude that's calling
Get yourself past that continental shelf
Now the band that we hired is playing quite inspired
Singing, ?Eskimos and eunuchs from Bangkok?
And the location so nice, we'll never run out of ice
'Cause Antarctica is just around the block
There's a party at the end of the world
Where the locals do the tango twirl
Now don't make that big mistake and wind up with Miss Jamaica

There's a party at the end of world
Flying machines, yellow submarines
French girls in cowboy d
