

# Peace in a Time of War

## Soldiers of Jah Army

They say that Bush could be my president,  
but really InI don't care.

They say Cheney makes my decisions,  
but he don't, so I'm just not there.  
and I'm gonna see the same lies  
coming in the next 4 years,  
so pardon me if I don't cry when

your election goes the way it did.Chorus

I need some peace in a time of war,  
some peace in a time of political war.they say that we elect our leaders  
to lead forward and make decision.  
but i never heard their policy on war  
discussed during an election.  
and it seem that war is something over which  
people have no prevention.  
but the people want it anyway and  
so they elect some destruction.Chorus
