

Bad Love

Tom Jones

I've known bad women
I've had bad wine
I've had nights filled with bad dreams
Tasted bad food and bad water
And I've read about bad rain Yeah, I only know of one thing
With an ironclad guarantee
'Cause I ain't never seen no bad love
Never heard about no bad love
I've never really seen no bad love
Well, no bad love well, no bad love You know how I love music
As long as it ain't square
To be bad music is don't move
Too smooth, no groove happening there I've known a few bad ladies
All of them got me hurt
Some of them women that seemed sweet
Complete, they treat you like dirt [Chorus:]
But I ain't never seen no bad love
Never heard about no bad love
I never really seen no bad love
No bad love, no bad love I've seen a lot of bad movies
I saw one just last night
Ain't got no action, and it ain't got no plot
That's not what I like You can even get a bad education
But that won't get you nowhere
But somebody's gonna say
That school ain't cool
What fool wants to go there [Chorus x2] I've had bad days and had bad nights
But I never had me no bad love
And a Cadillac Fleetwood with a bad ride
But I never had me no bad love
I've had bad things happen to me all my life
But I never had me no bad love Whew, whew, whew, whew, whew, whew, hoo
But I never had me no bad love
Had a Cadillac car
