Let It Be Me (feat. Alison Krauss)

Johnny Mathis

One singular sensation every little step she takes
One thrilling combination every little move that she makes
One smile and certainly nobody else will do
You know you will never be lonely with you know whoOne moment in her presence
And you can forget the rest
Oh, the girl is second best to none, sonOoh, sigh, give her your attention
Ooh, I really have to mention
She's the oneShe walks in to a room
And you know you must
Shuffle along, join the parade
She's the contestant of making the gradeThis is what you call traveling
Oh stretch yourself
I can't get enough of her number
I'm a son of a gun, she's one of a kindOne moment in her presence
And you can forget the rest
Oh, the girl is second best to none, sonOoh, sigh, give her your attention
Ooh, I really have to mention
She's the one
