

# I Belong to You

## Building 429

I stand astounded by Your unfailing love  
Your grace imparted, it rings freedom in my soul  
So I lift a voice to reach into the heavens  
Trying to find a way to say how much I love You  
You spoke my world into existence  
Designed my mind and soul even knowing  
That I would be the one to break Your heart  
But You sent Your only Son to be our Savior  
You sent the living King to be our servant  
And bought me with a price I can't imagine  
So I let the world crash down all around me  
'Cause I'm not affected by all the words that they spew  
I only live to sing, praises to my King  
I only live to prove how much I adore You  
Because You spoke my world into existence  
Designed my mind and soul even knowing  
That I would be the one to break Your heart  
But You sent Your only Son to be our Savior  
You sent the living King to be our servant  
And brought me with a price I can't imagine  
So I belong to You, I belong to You, oh, to You  
Because You spoke my world into existence  
Designed my mind and soul even knowing  
That I would be the one to break Your heart  
But You sent Your only Son to be our Savior  
You sent the living King to be our servant  
And brought me with a price I can't imagine  
So I belong to You, to You  
I belong to You, no one can take that away
