

# Undo The Right

**Johnny Bush**

If you can't say you love me, say you hate me  
And that you regret each time you held me tight  
If you can't be mine forever, then forsake me  
If you can't undo the wrong, undo the right  
    It was right when you loved me only  
    But wrong when you held another tight  
So before you go away and leave me lonely  
If you can't undo the wrong, undo the right  
It's too late to say your heart is filled with sorrow  
You can't undo what's done, why do you try  
    So please so I can face the new tomorrows  
If you can't undo the wrong, undo the right  
It's too late to say your heart is filled with sorrow  
You can't undo what's done, why do you try  
    So please so I can face the new tomorrows  
If you can't undo the wrong, undo the right  
If you can't undo the wrong, undo the right
