# For Real

## Tricky

Yeah
You watch too many films
Too many films for real
Some because you take too seriously
Your record deal
A record deal pays bills
Feeds the family
Your profile is too big
How you gonna be a crime familyToo many films are for real
You want to see any films
Films are for realDon't get me wrong that you got guns
And you're not scared to use 'em
But is there money bein' made 'round these guns
Or lives to be losinYou watch too many films
Films for real
You watch too many films
Too many films for realSome of these people have to life their life
For real
I don't have to, I got a record deal
For real
You heard
I chill
I smoke herb
Now how about these sexy singers
Sex cards
Two pack girls in a turn
Your fantastic, you superspermYeah, I'm a player hater
I hate when players can't take their turn
And when the record company drops me
That's when I learn
It's not for real
It's just passed the time
It's not real
All I do is rhyme
It's not real
It's just passed the time
All I do, all I do is rhymeYou heard you heard
You go romeo
Girls say you look tall on the video

And the colored girls sing
Give me money, give me money, give me money, give me moneyAnd no one sings the blues
Everyone sings the greens
Some will say keep you on the prize
How you lose a dream
Who am I to say I don't need cash
In this hundred yard dash
I moved a while ago
And passed through new york
I'll be back in a minute
It's my turn to talk
For real
You heard
For real
You heardI can grab a mic and wrack it
Make it go posethic
I train my mic
Restrain my micYou watch too many movies
For real
You watch too many films
Films are for real
You watch too many films
Too many films are for real
You watch too many films
For real
