

# Vibeology (Video Edit)

Paula Abdul

Ooh work it baby  
A give me that vibe  
Uh what is it? Ya got that vibeology  
That V-I-B-Eology  
Your body is pumped  
Next to me  
Ya got that sensuality  
And oh I love what ya do  
When ya do what ya do  
Ya got me pumped  
In the groove  
When ya move  
I'm in a funky way I'm  
I'm in a funky way I'm Horny horns!!  
I'm in a funky way a  
Give me that  
I'm in a funky way a  
Give me that vibeology  
Vibeology now what is that?  
Well it's the study  
Of the chemistry  
Between you and me. Ya got that vibeology  
That V-I-B-Eology  
Your body is pumped  
Next to me  
Ya got that sensuality  
And oh I love what ya do  
When ya do what ya do  
Ya got me pumped  
In the groove  
When ya move  
I'm in a funky way I'm  
I'm in a funky way I'm
