

Friedberg

Anna F.

Run out
watch out
careful don't get hurt
crazy bitch
you're sane in Friedberg Black sheep she's a
big creep better
be careful don't you wake her up cause she
might come alive
might come alive
might come alive In a big town when she is
alone and you
never know what's walking through her door cause it
might be alive
might be alive
might be alive I've been trying to tell you, you know
and I hope that you just let me go
because I'm spinning out of control
like Vincent Van Gogh
like Vincent Van Gogh Just so you know
you should just let me go
just let me go
just let me go She sleeps with it
still keeps it on
sometimes even bleeds with it cause
it was alive
it was alive
it was alive You should see through her eyes baby
maybe you will let her live her life
cause she
can live her life
can live her life
can live her life I've been trying to tell you, you know
and I hope that you just let me go
because I'm spinning out of control
like Vincent Van Gogh
like Vincent Van Gogh Just so you know
you should just let me go
just let me go
just let me go 8x

Run out
watch out
careful don't get hurt
crazy bitch
you're sane in Friedberg
