Shapeshifter (Klayton Revision)

Celldweller

Get ready,
Get ready get set,
Get ready get set, let's roll,Ha...
Get ready get set, let's roll,
Road Warrior in a bit of Petrol,
Red, yellow, hit green, then go, breathe in slowS.O.B.
You ain't never seen nothing so rugged at 90
Uh huh, with the cops behind me yo!
The boiler's grinding, keep the cuffs, enjoy your doughnuts sir, you ain't gonna find meIt's not likely their brains is blown out
You're chasing a ghost with no brakes, slow down
Hundred proof octane, ready to drink bitch
Stop playing, I'm hot man, gimme that pink slipTime's up, the animals crept through
Leave them in the dust with a packet of jet fuel
Too quick, eat 'em up, better for pet food
No brain, slow lane, missing your head screws
Skin and bones let mess with your chrome set
Tricked out, hopping like your cruse in a cold chest
Parked in eagle with a safety pin
Take the backseat, now let the games begin, yeahHa, get ready, get set, let's roll
Road warrior in a bit of petrol
Red, yellow, hit green, then go, breathe in slow(SHAPESHIFTER!!!)Come on man, you can't be real
I'll show you what it is, let the anthem build
Shape shifter
Put the pedal to the metal and goTough match, you lost by a hubcap
The big boss spray painted on my mud flap
Get a rush, yeah we're calling your cold bluff
Can never get enough
Step in, hold your breath and hang tight
Known for the big dollar bet in the cage fight
You're playing with the sharks, step inside
Everybody on your mark, get set, now let's ride.That's right, put the pedal to the metal and go
The yellow madellow with slicks on sending 'em home
Stick cars in the concrete, gripping the road
So quick, get in the palm trees, look out, whoa
We got car keys hooked to remote controls
Hit a button that'll smoke any whip you own
I told you, I don't want to close your casket
Quit now before you go blowing a gasketHa, get ready, get set, let's roll

Road warrior in a bit of petrol
Red, yellow, hit green, then go, breathe in slow(SHAPESHIFTER!!!)
Come on man, you can't be real
I'll show you what it is, let the anthem build
(SHAPESHIFTER!!!)
Put the pedal to the metal and goMELTING! MELTFOWN!
(While time is shifting)
TRANSIST! TRANSFORM!
(Out purposely!)
YIELDING! BENDING!
(While time is shifting)
Two shapes theat can't CONSTRAIN!Get ready, get set, let's roll(SHAPESHIFTER!!!)
Come on man, you can't be real
I'll show you what it is, let the anthem build
(SHAPESHIFTER!!!)
If you want it, come and let me know
I'm right here, put the pedal to the metal and go(SHAPESHIFTER!!!)
Come on man, you can't be real
I'll show you what it is, let the anthem build
(SHAPESHIFTER!!!)
Put the pedal to the metal and go
