Maintain Closure

Sylar

After tonight, after tonight it's a party
The celebrations started
My journey is only starting
After tonight, after tonight It's a party
The celebration started
I'm on my wayI came so far, I feel the rush
Beneath my bones
Cause it seem so much to me
I hear the sirens screaming
I taste the air, the sweetness
After tonight, after tonight it's a party
The celebration started
I hear the engines roaring
Can you feel it? I can see it
I believe the sounds
In my heart I know it's right
I know my luck will come around
I'm on my way
I'm on my wayI came so far, I feel the rush
Beneath my bones
Cause it seem so much to me
I hear the sirens screaming
I taste the air, the sweetnessFigure out, figure out
Figure out exactly how I'm feeling
Figure out, figure out
Figure out how I painted the picture
Situations, altercations
They taught me everything
I know about temptation
I had to fall so many times
For me to do it right
To all the ones who doubted me
I'm here to get it right
If I say it and I feel it
It's because I mean it
If I say it and I mean it
It's because I feel it
Pick up the phone and dial 718
I'm calling to stay

I've cleaned up my ways
I've sealed my fateI came so far, I feel the rush
Beneath my bones
Cause it seem so much to me
I hear the sirens screaming
I taste the air, the sweetnessI came so far, I feel the rush
Beneath my bones
Cause it seem so much to me
I hear the sirens screaming
I taste the air, the sweetnessBefore I wrap this up
Gon' get this off my mind
Yeah, I'm just celebrating
Because if you couldn't tell
We're alive and well
See there were many times
Where I wanted to give up
Where I wanted to give in
But I just held on to HELP
