King Of Swing

Big Bad Voodoo Daddy

When you feel your bones a shakin,
and your temperature is risen,
and the groove begins to move you,
it's the King of Swing....
'King of Swing'
When you see those fires' burnin,
and your fever is a risin
An the drums begin a poundin
It's the King of Swing...
'King of Swing'
'King of Swing'
'King of Swing'
