

So Long Song

Blues Clues

Now it's time for so long
But we'll sing just one more song
Thanks for doing your part
You sure are smart You know, with me and you
And my dog, Blue
We can do anything
That we wanna do Well, I guess that's the end of our play date
"Our play date"
So long, friend
"Bye-bye" I'll be happy to see you when you come over again
"Come over again"
We'll have a great time together
"Together"
