

Firm All Stars

Foxy Brown & Pretty Boy

Pretty Boy:

Track Masters

A yo you see that a major, tellin' my flavour
All types of paper, I'm doin' you a favour
So blaze the trees, come on baby please
Yo to lay with these girls pay the fees
Cause I stay in these, coop rabie bees
Jitty to the fifty, to the ACG's
And when I'm lazy B
Let the AC breeze, explain to my dames how the gamin be
So what you trippin' about, in the club I be kickin' em' out
I get em home then I'm twistin' them out
If I still keep it real I be friskin' them out, with my dick in they mouth
Then I'm kickin' them out
Cause you miss the quote, cause even if this kid was broke
On you I wouldn't trick to know
Have me high at first like I sniff some coke
But now you gotta go don't forget your coat
Uh

Chrous (Nas):

We are the firm all stars

F**kin your bitch we don't care who you are
We don't need no introduction, our music steady bumpin'
From the crib to the club to your cars
Come f**k with us
If you know about us throw your hands in the air
From Texas to New York to Montclair
This be the knock from Flatbush to Little Rock
Even New Orleans be bout it bout it
It's hot

Foxy Brown:

Uhhhhhhhhh

I gets 7: 30 for the door daddy
Ain't know thing, y'all know about the rings huh
Here you vibe and you balls with the big cat
Anything you tryin ta bring, been there done that
See the paper stack
I'm not a hater dog
Y'all still cruisin' lands, I'm navigatin' dog

Brooklyn tone

Baby girl flawsed night and left and baget stones in a James Bond crome

See this pretty face, but you wanna stick it

If it's broke nigga we can let Tido fix it

I can't stop, I won't stop

Everything hot, first week out hit the top

Pretty Boy Relentless, Cop the Coop thats expensive

For instance we rollin' in fleets in ten to sixes

We smoke piphers with a dime chick pullin' all nighters

P be Mr. Macaroni

The world slick lies and pretty Tony

If you never new know you know me

That's why they wanna blow me

We eat caviar, shine like a movie star

Firm click real thick, Nas tell em' who we are

Chorus(2x)
