

Shake It

Metro Station

Let's drop!
Yeah, come on
Shake, shake I'll take you home
If you don't leave me at the front door
(Leave me at the front door)
Your body's cold
But girl, we're gettin' so warm
And I was thinking of ways
That I could get inside
(Get inside) Tonight you're falling in love
Let me go now
This feeling's tearing me up
Here we go now Now if she does it like this
Will you do it like that?
Now if she touches like this
Will you touch her like that?
Now if she moves like this
Will you move her like that?
Come on, shake, shake
Shake, shake, shake it [Chorus: Repeat x4]
Shake, shake
Shake, shake, shake it Your lips tremble
But your eyes are in a straight stare
(In a straight stare)
We're on the bed
But your clothes are laying right there
And I was thinking of places
That I could hide
(I could hide) Tonight you're falling in love
Let me go now
This feeling's tearing me up
Here we go now Now if she does it like this
Will you do it like that?
Now if she touches like this
Will you touch her like that?
Now if she moves like this
Will you move her like that?
Come on, shake, shake
Shake, shake, shake it [Chorus: Repeat x4] I saw you dancing

And I couldn't get you off my mind
I could tell that you could tell
That I was taking my time
But I was thinking of ways
To get you to stay tonight
Body's shaking
Turn me on so I can turn off the lights
Now if she does it like this
Will you do it like that?
Now if she touches like this
Will you touch her like that?
Now if she moves like this
Will you move her like that?
Come on, shake, shake
Shake, shake, shake it [Chorus: Repeat x4]
