## Bukshot

I love ya 'cause you're such a prickShut your mouth  
My momma said  
"Don't saddle me  
With selfishness"Do you feel your tongue quivering?  
It's moments like these I revel inYour conversation never sticks  
'Cause no truth in you exists  
Yeah, you bite before you lick  
I love ya 'cause you're such a prickOne more time  
Don't fashion me  
With stylish words  
Of ramblingsHoney, do you feel my pulse lingering?  
It's moments like these I revel inYour conversation never sticks  
'Cause no truth in you exists  
Yeah, you bite before you lick  
I love ya when you're such aIt's moments like these I revel inYour conversation never sticks  
'Cause no truth in you exists  
Yeah, you bite before you lick  
I love ya 'cause you're such a prickYour conversation never sticks  
'Cause no truth in you exists  
Yeah, you bite before you lick  
I love ya 'cause you're such a prick
