

# Black Metal (Radio 1 Session)

## Venom

Black is the night, metal we fight  
Power amps set to explode.  
Energy screams, magic and dreams  
Satan records the first note.  
We chime the bell, chaos and hell  
Metal for maniacs pure.  
Faster than steel, fortune on wheels  
Brain haemorrhage is the cure.Black metal  
Black metal  
Black metal  
Black metal  
Lay down your souls to the gods rock 'n roll!Freaking so wild, nobody's mild  
Giving it all that you got.  
Wild is so right, metal tonight  
Faster than over the top.  
Open the door, enter hell's core  
Black is the code for tonight.  
Atomic force, feel no remorse  
Crank up the amps now its nightBlack metal

Black metalLay down your souls to the gods rock 'n roll!  
Metal ten fold through the deadly black hole.  
Riding hell's stallions bareback and free!  
Taking our chances with raw energy.Come ride the night with us  
Rock hard and fight  
United my legions we stand  
Freak hard and wild for us
