

Superstar

Joe Cocker

Long ago, and, oh, so far away
I fell in love with you before the second show
Your guitar, it sounds so sweet and clear, but you're not really here
It's just the radio

Don't you remember you told me you loved me baby
You said you'd be coming back this way again baby
Baby, baby, baby, baby, oh, baby
I love you, I really do

Loneliness is such a sad affair, and I can hardly wait to be with you again
What to say, to make you come again
Come back to me again, and play your sad guitar
