## Future

This for my young nigga grindin', went stashed 'em a RollieI call the play like I'm John Madden

I fuck that bitch in them Steve Maddens

Pitchin' the ROC like I'm Ty-Ty

Mixin' the soda like hair dye

Twist up some dirty, my nigga, let's twist up some dirty

This for my young nigga grindin', went stashed 'em a RollieI see your loyalty payin' off

I see your grind been payin' off

I see the dope, been payin' off

I see the plug, been payin' off

I went to work, they was layin' off

Lil' shawty be popping them Xans out

Lil mama she do it the best now

Sucking that dick with no hands nowI got way too much juice, niggas can't hold me

I got way too much juice, niggas can't hold me

Bitches can't hold me

I'm juiced up with shorty

I'm whipping the 'Rari

Or the new Maserati

Bust a jugg in the West End at the parking lot

Used to sell my crack at Days Inn, had it crazy hot

Styrofoam cups, all I know is I get crazy, man

My partners on dust, they gon shoot up a whole stadium

I don't trust your baby mama but we made a crazy film

And I smashed her last night on a lot of pills

And we turned her apartment to a trap house deal

And I turned her apartment to my dope house dealI call the play like I'm John Madden

I fuck that bitch in them Steve Maddens

Pitchin' the ROC like I'm Ty-Ty

Mixin' the soda like hair dye

Twist up some dirty, my nigga, let's twist up some dirty

This for my young nigga grindin', went stashed 'em a RollieWhen I jumped out the porch, I was selling that

crack like that shit was a sport

I was running through bushes, jumping over fences, I gotta get away from them narcs

Hey, man I can never get away from this art

They treat you like Lord, they treat you like God when you beat the odds

None of my dreams was reality just a few years ago, homie was starving

Just a few years ago, homie was starving

Bust a jugg in the West End at the parking lot

Used to sell my crack at Days Inn, had it crazy hotI see your loyalty payin' off

I see your grindin' payin' off  
I see the dope, been payin' off  
I see the plug, been payin' off  
I went to work, they were layin' off  
Lil' shawty be popping them Xans on it  
Lil mama she do it the best now  
Sucking that dick with no hands now
