Another World

The Roches

by Maggie, Terre and Suzzy RocheI don't feel that great today
I have never felt that great
Don't tell me to exercise
Don't tell me it's what I ateThere's got to be another world
Oh yeah oo oo oo baby
There's got to be another world
Oh yeah oo oo oo babyI'm the kind of person who
Likes to sleep all day and night
Too bad I'm sleeping by myself
Nobody's here to hold me tightThere's got to be another world
Oh yeah oo oo oo baby
There's got to be another world
Oh yeah oo oo oo babyThink how good just normal feels
A helmet on my head
Constant flow of ice cream in
I'd be as good as deadThere's got to be another world
Oh yeah oo oo oo baby
There's got to be another world
Oh yeah oo oo oo baby
