Chain-Work Soul

Miseration

The great deceiver known to all men
Life consumer, the one unseen
Poison running through my veins
A static mind, no control
Rules my every moveNothing feels right
Pushed to the edge
Have I lost it all
I am about to break
Living a constant kie
My emotions have me paralysed
I need a remedy
Make me whom I supposed to be
Is it too late for regretsLook in the mirror
Don't recognise what I see
The life in me is gone
Fear tormenting me
Guilt won't left me be
Feeling useless, invisible to the world
The undecided truth
I am the pretender
Living the lie concealing the truth
The great deceiver know to all men
Life consumer, the one unseen
