

This Too Shall Pass (Rube Goldberg)

OK Go

You know you can't keep letting it get you down
And you can't keep dragging that dead weight around If there ain't all that much to lug around,
Better run like hell when you hit the ground When the morning comes
When the morning comes Can't stop those kids from dancing but why would you want to
Especially when you're already getting good? 'Cause your mind don't move and your knees don't bend
But don't go blaming the kids again When the morning comes
When the morning comes
When the morning comes When the morning comes
When the morning comes
When the morning comes
Let it go
This too shall pass
Let it go
This too shall pass (Let it go, this too shall pass)
You know you can't keep letting it get you down
No, you can't keep letting it get you down (Let it go, this too shall pass)
Oh, is it really all that much to lug around
And you can't keep letting it get you down When the morning comes
Oh, you can't keep letting it get you down
No, you can't keep letting it get you down
(When the morning comes) Oh, you can't keep letting it get you down
No, you can't keep letting it get you down
(When the morning comes)
Oh, you can't keep letting it get you down
No, you can't keep letting it get you down
(When the morning comes) Oh, you can't keep letting it get you down
No, you can't keep letting it get you down
(When the morning comes)
