

I Am Not Afraid

Etana

Verse One

I see them coming after my soul....
wanted to take control....
Wanna give me locks, wanna give me bling....
Wanna give me all the material things....
I hear dem talking bout what the world has to offer, girl what you doing dont you see....
What they have done to Bed-ward & Marcus, Jesus and all of the Profits

Chorus

But I am not afraid....
No I am not afraid....
No I am not afraid....
If dem a come let them come cause I'm protected by the most I one....

Verse Two

They don't mind when you fall behind and cant pay your bills on time....
Prostituting and standing in their government line no....
And they dont mind when you waste your time coming up with some stupid line....
Influencing the youth dem fi start a line or take a life....
And they dont mind when you locked up in jail can't get no bail sentence fi life....
You can't see you youth dem strive but they dont mind....

Chorus

But I am not afraid....
No I am not afraid....
No I am not afraid....
If dem a come let them come cause I am protected by the most one....

Bridge

Hey A....
Dont be foolish....
Thinking they dont know your name.....

Verse One

I see them coming after my soul....
wanted to take control....
Wanna give me locks, wanna give me bling....
Wanna give me all the material things....
I hear dem talking bout what the world has to offer, girl what you doing dont you see....
What they have done to Bed-ward & Marcus, Jesus and all of the Profits

Chorus

But I am not afraid....

No I am not afraid....

No I am not afraid....

If dem a come let them come cause I am protected by the most one....
