

# Casey Jones

## Almanac Singers, Pete Seeger

Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
    Trouble ahead, trouble behind  
And you know that notion just crossed my mind  
    This old engine makes it on time  
Leaves Central Station 'bout a quarter to nine  
    Hits Rriver Junction at seventeen to  
And at quarter to ten you know it's drivin' again  
    Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
    Trouble ahead, trouble behind  
And you know that notion just crossed my mind  
    Trouble ahead, a lady in red  
    Take my advice, you'd be better off dead  
Switchman's sleeping, train hundred and two is  
    On the wrong track and headed for you  
    Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
    Trouble ahead, trouble behind  
And you know that notion just crossed my mind  
    Drive your train  
    Trouble with you is the trouble with me  
    Got two good eyes but we still don't see  
Come 'round the bend, you know it's the end  
The fireman screams and the engine just gleams  
    Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
    Trouble ahead, trouble behind  
And you know that notion just crossed my mind
