

Back Like That

Ghostface Killah featuring Kanye West & Ne-Yo

Damn, damn, ma, we ain't even have to go through it like that

It wasn't even, even that big, man

You know, nah, it's ight though

But anyway, yo, let me get that coat, let me get those jeans

And let me get that rock on your finger, oh, it's stuck?

Then I'll take the whole finger then, man

Let me get those bags from Paris and the puppies is staying, yo

Come through the block in the brand new Benz

Knowing that me and that nigga ain't friends

(Okay, girl)

Yeah, what I did was wack

But you don't get a nigga back like that

Flossin' around when I'm up in these streets

Knowing that me and that nigga got beef

(Okay, girl)

Yo, what I did was wack

But you don't get a nigga back like that, no

Aiyo, I should just bark on you, burn your car on you

'Cuz I'm too much man, to leave a mark on you

You're a bird you know that, giving that man

Ten points, like he about to blow that

He probably did, you swallow his kids?

In and out of jail, he a snail, he wasn't wilding on bids

In the summertime, I broke his jaw, had to do it to him

Quick, old fashion in the back of the mall

Me and him had 'mos forever like I'm supposed to put him on

When he came home and told on Trevor

Had to bang on homey, ear blocks, out in spots

Throwing them shots, like ?Nigga, you know me?

Stop fronting for them niggas out, side like you really ride

And you a silly chick, thought you was really live

But I guess I was wrong, I'ma holla at dog

And rip his head off, word get this on

Come through the block in the brand new Benz

Knowing that me and that nigga ain't friends

(Okay, girl)

Yeah, what I did was wack

But you don't get a nigga back like that

Flossin' around when I'm up in these streets

Knowing that me and that nigga got beef
(Okay, girl)
Yo, what I did was wack
But you don't get a nigga back like that, no
Aiyo, I thought we was iller than that
All them kisses and love you's, when Jake came, you hid my packs
It was time a brotha went to war, vests banged up
Staining in the kitchen, yo, holding a four
Sweatin' and breathing, bounced out of town for a weekend
Heard you had homey in the passenger seating
Honey, look, I'm a monster don, I do monster things

That's why I put your ass under my arm
Fucking with him can bring bodily harm
And where you gonna hide in the streets when the body is gone?
If it's one thing I learned that, never trust a female
On no scale, you just confirmed that
Bounce to your momma house, pack your shit
I don't care if you crying, you'se a ruthless chick
Gots to watch you, these eyeballs in my face'll spot you
My girl cousins, they gon' rock you
Come through the block in the brand new Benz
Knowing that me and that nigga ain't friends

(Okay, girl)
Yeah, what I did was wack
But you don't get a nigga back like that
Flossin' around when I'm up in these streets
Knowing that me and that nigga got beef

(Okay, girl)
Yo, what I did was wack
But you don't get a nigga back like that, no
Shorty, what is you thinking 'bout?
Didn't I put you down?
Flyest whips, rollin' 'round like, yeah
That's the bosses chick, on the side
I might've had, one or two
Them silly broads wasn't nothing on you
Rolling with him, try'na get revenge
That watcha just don't do
Come through the block in the brand new Benz
Knowing that me and that nigga ain't friends

(Okay, girl)
Yeah, what I did was wack
But you don't get a nigga back like that
Flossin' around when I'm up in these streets

Knowing that me and that nigga got beef
(Okay, girl)
Yo, what I did was wack
But you don't get a nigga back like that, no
Come through the block in the brand new Benz
Knowing that me and that nigga ain't friends
(Okay, girl)
Yeah, what I did was wack
But you don't get a nigga back like that
Flossin' around when I'm up in these streets
Knowing that me and that nigga got beef
(Okay, girl)
Yo, what I did was wack
But you don't get a nigga back like that, no
[Incomprehensible]
