Ain't True (interlude)

Danity Kane

I don't wanna hurt you
Please believe me I love you
But there's no easy way
To say this daily
Now lately I've spending time
With this other guy
And though you're still the one
He's been getting all my love
Don't wanna break your heart
It's is tearing me apart, apart
On my heart, on my heart
But I don't wanna hurt you

I don't wanna hurt you
Please believe me I love you
But there's no easy way
To say this daily
Lately I've spending time
With some other guy
And though you're still the one
He's been getting all my loving
Don't wanna break your heart
This is tearing me apart, apart
On my heart
