

# Long Gone (Grum Remix)

[Mary Epworth](#)

One felt part upon my breast  
fell so hot then laying to rest  
Long gone must be love it  
the road has gone away  
and I cannot rise above it  
long gone away  
Sweet old song  
now you roam from me  
how I haul in your sweet memory  
Long gone must be love it  
the road has gone away  
and I cannot rise above it  
long gone away  
So tear keep on pouring  
run and run away  
for all I know it when you're going  
it's long gone away
