Testify

Terence Trent D'Arby

Once ago there were lovebirds
Who began to fly
Into different spaces of the sky
They were kissed by grace notes
Passing by on there rainbow facesTestify
Love is never easy
Love is never easy
Testify
Love is never easy
Love is never easy
But I'll still give it a try
Sometimes I wonder whyOnce ago there were sun birds
Who began to burn
With the heat of summers soft concern
But he turned her faith into a lie
And it stole her sighTestify
Love is never easy
Love is never easy
Testify
Love is never easy
Love is never easy
But I'll still give it a try
Sometimes I wonder whyI can hear my lover calling
As the lazy afternoon is falling
Even if it's in my mind my memory just killing time
Loving has left me wanting
A ghost would find love haunting
I'll have to see if it costs an arm and a legacy
But it's still in question I can't deny
That it took a while to learn to fly
So I did impressionsTestify
Love is never easy
Love is never easy
Testify
Love is never easy
Love is never easy
But I'll still give it a try
Sometimes I wonder why
