

Enter Sandman (Optimized For Loudness)

Metallica

Say your prayers little one
Don't forget my son
To include everyone I tuck you in, warm within
Keep you free from sin
'Til the sandman he comes Sleep with one eye open
Gripping your pillow tight Exit light
Enter night
Take my hand
We're off to never-never land Something's wrong, shut the light
Heavy thoughts tonight
And they aren't of Snow White Dreams of war, dreams of liars
Dreams of dragon's fire
And of things that will bite, yeah Sleep with one eye open
Gripping your pillow tight Exit light
Enter night
Take my hand
We're off to never-never land Now I lay me down to sleep
Now I lay me down to sleep
Pray the lord my soul to keep
Pray the lord my soul to keep If I die before I wake
If I die before I wake
Pray the lord my soul to take
Pray the lord my soul to take Hush little baby don't say a word
And never mind that noise you heard
It's just the beasts under your bed
In your closet in your head Exit light
Enter night
Grain of sand Exit light
Enter night
Take my hand
We're off to never-never land Boom
! Yeah yeah! We're off to never-never land
Take my hand
We're off to never-never land
Take my hand We're off to never-never land
We're off to never-never land
We're off to never-never land
